

Azon Cafe — shinam muhitga ega, uchrashuvlar va oilaviy dam olishlar uchun qulay joy sifatida tanilgan kafe. O‘z faoliyatini 2016-yilda boshlagan Azon Cafe qisqa fursatda tashrif buyuruvchilarning sevimli maskaniga aylangan. U yerda iliq muhit, samimiy xizmat va yaqinlaringiz bilan vaqt o‘tkazish uchun qulay sharoitlar yaratilgan.

2022-yilda brend 2023-yilgacha  
rebranding qilishni rejalashtirgan edi.

Yangi Azon kafe eski muhitini va o'z afzalliklarini asrab qolgan holatda o'z mijozlari uchun yanada yaxshi maskanga aylandi.

## Vazifa:

- 1 - Yangi muhitga o'zgartirish,
- 2 - Mijozlar uchun sevimli maskan bo'lish,
- 3 - Hozirgi nom yangi format uchun o'zgartirish.

G'oya:

"Azon kafe" - o'z mijozlari uchun  
sevimli maskan.

Yangi bosqichda brend uchun "Maskan" nomi tanlandi. Bu nom o'zbek tilida odamlar to'planadigan joy, uy, panoh, sokin makon kabi iliq va tanish tushunchalarni bildiradi. Aynan shu mazmun orqali restoran g'oyasi — yaqinlik, samimiylik va mehmondo'stlik — kuchliroq ifodalandi.

ilmli masjid

fayzli maskan

An aerial, black and white photograph of a city. In the foreground, a large, ornate dome of a mosque is visible, featuring a decorative band with a repeating geometric pattern. The city below is densely packed with buildings, many of which have flat roofs. In the middle ground, a large, dark, rectangular building with a series of arched windows is prominent. The overall scene is captured from a high vantage point, looking down on the city.
